<p>TITLE ACORD 11 (2/95)</p>	<p>Auto Accident Information Form</p>	<p>This form is designed to be part of a "kit", with ACORD 12, Exchange of Information Form, and ACORD 13, Witness Card. The "kit" should be given to the auto insurance policyholder for the glove compartment of the insured vehicle.</p> <p>ACORD 11 can assist the driver of the insured vehicle in gathering the necessary information at the accident scene, so that a complete accident report can be made to the agent or company.</p> <p>ACORD 11 is a simpler form to use than ACORD 2, Automobile Loss Notice. However, this form is not intended to replace ACORD 2, since all the information required to complete ACORD 2 is necessary.</p>
