

Section Name	Field Name	Field and/or Section Description
<p><b>TITLE</b>  <b>ACORD 64 CA (2004/02)</b></p>	<p><b>California Insurance Supplement,  Agency Language Form</b></p>	<p>California Insurance regulations require that each insurer report to the California Department of Insurance, by zip code, the number of agents who identify themselves as conversant in a language other than English. Companies should refer to California Department of Insurance Regulation RH-310.</p> <p>Agents can use ACORD 64 CA to provide companies with the required information. A separate form should be completed for each office location, and the address on the form should be the address of the office location, unless different instructions are provided by insurers.</p>
