

Section Name	Field Name	Field and/or Section Description
<p><b>TITLE</b> <b>ACORD 68 ND (2004/07)</b></p>	<p><b>North Dakota Supplement to Property Insurance Applications</b></p>	<p>Effective January 1, 1994, all property applications used in North Dakota must identify by fire district number the Fire District within which each insured property is located. The insurer must then report the property premium and insured value of the property attributable to each fire district to the North Dakota Insurance Department at the time it submits it's annual statement.</p> <p>If more than one location is included in the application, and the locations involve multiple fire districts, the separate locations and property values must be identified, and the premium apportioned to each fire district based on the values in each district. Use ACORD 68 ND as a supplement to:</p> <ul style="list-style-type: none"> <li>* Homeowners Application, ACORD 80 or ACORD 89, Residential Section. ACORD 89 must be used in conjunction with ACORD 88, Personal Insurance Application, Applicant Information Section.</li> <li>* Property Section, ACORD 140</li> <li>* ACORD 68 ND may also be used by insurers to report to the North Dakota Insurance Department.</li> </ul>
